PARISH HANDBOOK AND DIRECTORY. We are in the process of updating our parish registry and handbook. The handbook helps us all to know more about our church. The who, what, where, when, why, and how of the parish is in this book. The book is being provided at no cost to our parish and one book is mailed to every registered family. It is subsidized by local businesses who advertise in it. If you own or manage a business and want to find out how to advertise in the book, please call the office at 744-0023. Recent survey results by the publisher, Guide Book Publishing, show that 92.1% of families would rather patronize our advertisers over a non-advertiser. I does pay to advertise in our parish Guide Book and Directory.
