

Today we celebrate the feast of **THE ELEVENTH SUNDAY IN ORDINARY TIME.** Readings begin on Page 435 in the Missalette.

2 Samuel 12:7-10.13 *Nathan confronts David with his wrongdoing.*

Galatians 2:16.19-21 *It is faith in Christ alone that makes a person righteous in God's eyes.*

Luke 7:36-8:3 *The woman who anoints Jesus, like the other women who followed Jesus as disciples, bears witness to the love of God in Christ Jesus.*

Dear People of
the Madalene,

Thank you for your many prayers and well wishes. As many of you know I had major surgery on my lower back May 27. The surgery went very well and seems to have alleviated most of the symptoms I was experiencing in my back. I am recovering at home with physical rehab trying to regain strength and mobility. I hope to return to my service in the parish in two to three more weeks. I really miss seeing all of you and am looking forward to returning to the parish. For now please remember me in your prayers. As always, I will be praying for you.

Blessings and Peace,
Deacon Robert

Pax Christi will present "Nuclear Tipping Point", a documentary film focusing on conversations with four men intimately involved in American diplomacy and national security over the last 40 years. The National Security Project was formed in 2007 to reframe the terms of the global debate on nuclear issues by George Shultz and Henry Kissinger, both former Secretary of State, former Secretary of Defense William Perry, and former Senator Sam Nunn. The project seeks to build global support for a world free of nuclear weapons and offers the steps to reach that goal. This thought-provoking video will be shown in Aquinas Hall on Tuesday, June 15 at 7pm. All are welcome. Come for cool drinks, contemplation and conversation.
